## **SB 2085 - HB 2202**

January 16, 2004

**SUMMARY OF BILL:** Provides for the handgun carry permit of a person who is in or enters the armed forces to continue in effect after the expiration date so long as such person's service continues and such person is stationed outside the state for a period not to exceed 60 days after such person is discharged or returns to the state. Provides for permits which have expired after the 60-day period to be renewed if application for renewal is made within six months of the expiration of the 60-day period.

### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact - Provisions would result in delay in receiving renewal fee from some affected handgun carry permit holders.**

There are approximately 160 handgun carry permit holders on active military duty and stationed outside the U.S. The renewal fee is \$50. The temporary decrease in state revenues is estimated to be not significant and would be recovered when the permit holders return to the state and renew their permits.
